

Ever thought you might be missing out on something?

Well, we might just have the answer!

What if by using **Currency Assist** you could save between 5 and 10% on your Foreign Exchange costs! Would that motivate you to do something about it? Sadly, many businesses lack the time or the resources to calculate how much profit the banks are making on their foreign exchange deals.

Signing up is Easy

To open an account with us please would you complete our online form (<https://register.currencyassist.co.za/individualapp/>) furnish us with the following:

1. Certified colour copy of your SA ID or both sides of your ID card
(Passport and VISA if foreign)
2. A "selfie" of you holding your identification (This is just to confirm that the ID is yours and that there is a likeness)
3. •Proof of residence (suitable forms attached)

Our onboarding process is as follows :

On receipt of the above you will be e-mailed a DocuSign form to sign digitally. It's quick and easy and requires no printing and scanning
Signed DocuSign Document is submitted to bank and account should be open within **1-2 days**

Transfers in Only 6 Steps

- 1) Complete online form and submit online
- 2) Send FICA documents as specified
- 3) Sign electronically the account confirmation
- 4) Receive a email with your new account details
- 5) Transfer funds to new account
- 6) Call the dealing room and confirm the rate – you can now transfer to your offshore account.
